Appointment details

Date

Time

Vision Eye Institute will contact you to arrange your appointment.

Getting to the clinic

Train & Metro

Chatswood Station: about 600 m (8-10 minutes) via Victoria Avenue.

Parking

Chatswood Chase: about 300 m away.
Check current parking terms.

Access

Lift to Level 3. Call ahead for mobility assistance or accessible parking.

Plan your journey: parking, public transport & access drsimonchen.com.au/visit

Preparing for your visit

- Bring your referral, Medicare and health fund cards.
- Bring glasses, relevant scans / reports, and your medicine and allergy lists.
- Your eyes may be dilated. Bring sunglasses and arrange a lift home.
- Do not drive while your vision is affected.

If your vision suddenly changes

New flashes, a sudden increase in floaters, a curtain or sudden vision loss need urgent assessment. Call the clinic; if closed or unavailable, attend the nearest hospital emergency department.
